

***Hurricane Preparedness Plan  
Men's & Women's Centers  
Pensacola, FL***

---

This policy shall govern our decision-making process regarding appropriate shelter during hurricane warnings.

***24 HOURS BEFORE LANDFALL***

- Close and lock all shutters on every window
- Organize in the chapel all emergency supplies listed below.
- Secure & store all yard items
- Fill 50 gallons drums with fresh water, double check propane and charcoal supply

***12 HOURS BEFORE LANDFALL***

- Family members of students will be contacted concerning our plan
- Our local administration office will draw from our database all students' names, a contact person, phone numbers, & emails

Students must sign a release of consent if they choose to stay enrolled at Teen Challenge during any category of hurricane.

---

---

***For Category 1, 2, and 3 hurricanes, we will:***

- Remain on campus with ample supplies to sustain the program for three to seven days.
- Secure the facilities with hurricane panels and plywood.
- Prepare generators, and purchase fuel.
- Assign two staff members to field phones & emails from families.

---

***For Category 4 hurricanes, we will:***

- Transport the student body to a government-approved shelter. Escambia County coordinates with the American Red Cross of Northwest Florida (ARC) to open hurricane shelters in phases, based on public demand.

**Our Experience**

We have had experience in evacuating the campus both locally and out-of-state for Category 4 & 5 Hurricanes. We have also safely weathered on-campus for Category 1, 2, & 3 Hurricanes. We have never experienced a personal injury to staff nor student in each of these instances. Moreover, we have experienced loss of power for 7 to 8 days on several occasions. We own generators to keep refrigerators running throughout a potential loss of power. Cooking can be done on a grill with charcoal or propane. Generators throw off carbon monoxide and are kept a safe distance from any window or door openings where individuals are staying.

### ***Aftermath / Missions Week***

- Volunteer list with Escambia County Emergency Management to distribute supplies of food to the public at designated locations.
- Help neighbors, within a 10 mile radius of the Men's Center, with tree cutting and general clean up.
- Generally this week has been a blessing for our students to give back to the local community and has not increased student attrition, but on the contrary, has helped with student retention.
